

REMIT – PHASE 2 *MASTER CLASS*

Entrima and ETR Advisory are collaborating to deliver a 1-day master class on REMIT “Reporting – Phase 2”. The reporting of ‘off-venue’ trades under REMIT commences on April 7th, and yet for most there is not only a great deal of work left, but also many unanswered questions. The workshop will equip you with the detail you require to ensure compliance, and also help you to watch out for the answers to the remaining outstanding questions. Classes will be held in both London and Prague.

MASTER CLASS *CONTENT*

During the workshop the following topics & themes are covered in-depth:

- **Section 1: Introduction**
 - Overview of Regulation of European energy markets
 - REMIT Introduction - The four "pillars"
- **Section 2: Data reporting under REMIT**
 - Examining the Implementing Act
 - Routes and schemes for reporting
 - On venue reporting - How does it work & how did it go?
- **Section 3: Off venue reporting ("Phase 2")**
 - Requirements and rules
 - Trade types and tables
 - "Stand alone" trades
 - Frameworks and executions
 - Transportation and capacity
 - Fundamental data
 - UTI generation
 - Backloading
- **Section 4: Field by field**
 - Looking at tables 1 and 2
- **Section 5: Moving forward**
 - Key outstanding questions
 - How to report?
 - Meeting the deadline
